

EXETER
COLLEGE
OXFORD

THANK YOU

Celebrating philanthropy

2022/2023

In the financial year 2022 to 2023, 1,388 alumni and friends donated to the College, the third highest total in the collegiate university. Participation remains very strong at Exeter, a wonderful legacy of the 700th anniversary campaign. Regular giving is so important to us as it gives us the flexibility to use those gifts where they are needed most and allows us to plan ahead. Our biggest fundraising priority continues to be the renovation of the Library. The project cost is just over £11m and the College has committed £3m of its own resources so our target is approximately £8m. Nearly 500 of you have donated to this vital project so far, and I encourage you to make a gift if you haven't already done so. Thank you so much for your support. Floreat Exon!

YVONNE RAINEY, DIRECTOR OF DEVELOPMENT AND ALUMNI RELATIONS

Your support helps us to create an active community within College by supporting a host of social, sporting, and professional events. We kicked off Michaelmas Term this year with a sports day and barbeque on the sports grounds, and as Hilary Term hit full swing our MCR hosted entrepreneurial mixers, welfare events, and much more. As MCR President, I see how support for graduate students through academic grants and hardship grants allows Exeter to be experienced at its best. It's a place that lifts spirits, so, from all of us, thank you.

RACHAEL MERRITT (2022, MSc SOCIAL SCIENCE OF THE INTERNET)

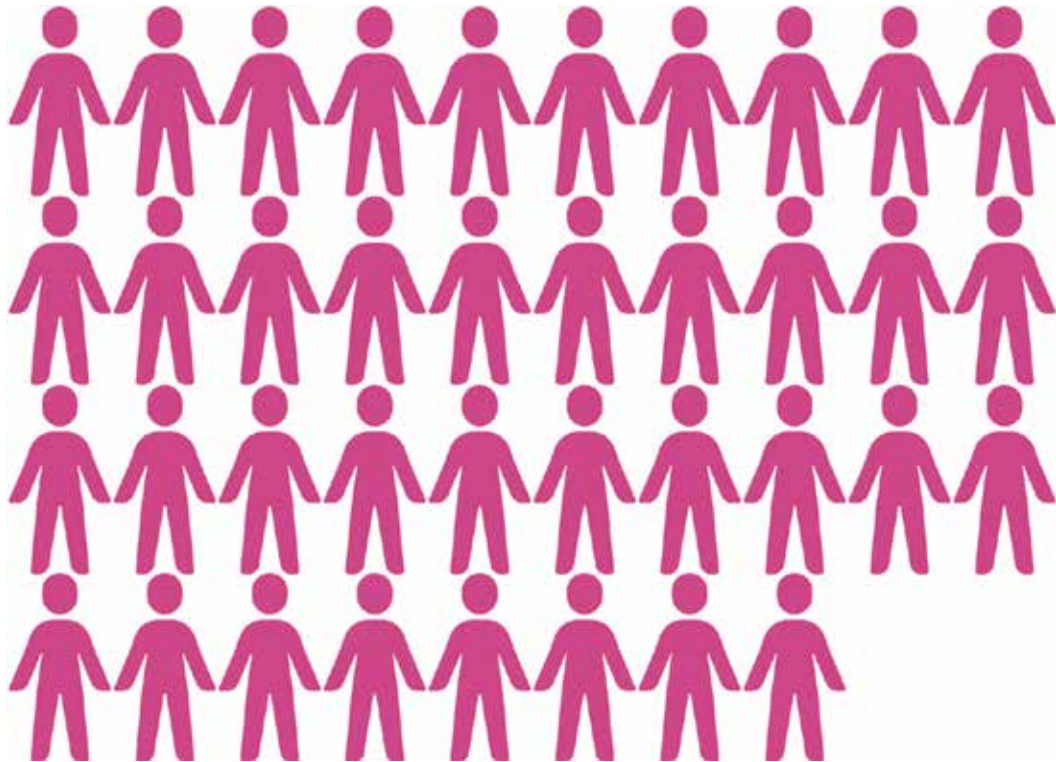

JESSICA OGHENEGWEKE

Student support

"During the outbreak of the COVID-19 pandemic, I decided to head back into academia and complete an undergraduate degree in Global Challenges, which inspired me to explore the treatment of immigrants in the UK. I am now studying for an MSc in Refugee and Forced Migration Studies here at Exeter College, and I love it. I am incredibly grateful to have received the Black Academic Futures Scholarship. This is my dream course and something I have been working towards for several years. I have been challenged more academically than ever before and am immensely inspired by my peers and professors. This opportunity has also provided further confidence in the continuation of this type of work after my degree, as well as exciting career prospects. It is one of the best gifts I have ever received, and I will not take it for granted."

- JESSICA OGHENEGWEKE (2023, MSc REFUGEE AND FORCED MIGRATION STUDIES)

In the 2022/2023 academic year, **38** Exeter graduate students received scholarships funded by alumni and friends. Thank you!

If you would like to make a gift to support someone like Jessica then please visit www.development.ox.ac.uk/exeter-college or contact Adale Bennett (Deputy Director of Development and Alumni Relations) at adale.bennett@exeter.ox.ac.uk or +44 (0)1865 287163.

The Library Reopens

The Exeter College community has come together to raise over £7.5 million to restore the Library – thank you all those who have given!

The Library, now named the Jackson Library in recognition of the lead donor to the restoration – William Jackson (1983, Geography) – is as beautiful and atmospheric as ever. For the first time in its 170-year history, the Library is fully accessible thanks to the newly installed lift and accessible WC.

Access and outreach

We are Evie Sutcliffe (left) and Ellie Lee (right), and we make up Exeter's Outreach Team! Our job is to open the doors of Exeter College to prospective students with a passion for learning. Last year, we worked with over **1500** students from across the UK!

Much of our outreach involves inviting schools to visit Exeter College. We work with a range of year groups, from Year 1 students in our twinned primary school, John Henry Newman Academy in Littlemore, to Year 12 students from across South West England.

Last year, we supported 66 students across the two strands of our Exeter Plus programme. The two-week residential bridging programme has been going strong for five years, helping to support incoming first-year students ahead of Michaelmas Term. The much newer Year 12 strand had a successful second year, reaching state school students across the UK.

We couldn't do any of this without your generosity. Thank you for helping us share the wonder of Exeter College with those who wouldn't otherwise have the opportunity to experience Oxford.

Honour Roll

We are deeply grateful to the alumni, students, staff and friends of Exeter College who made a gift in the 2022/2023 financial year. The list below includes members of the 1314 Society (marked with a star). We also want to thank our anonymous donors, including current students and their parents. The donations listed here were received in the College's last financial year, from 1 August 2022 to 31 July 2023.

Legators and legacy pledges

Some of the most important gifts in Exeter's history have been legacies. In 2022/23 the number of members of the Exeter community who have pledged a gift in their will reached 250, the majority of whom are listed below in recognition of their generous intentions. Their gifts will help to preserve the college they love so that bright, talented people can continue to have a wonderful Exeter experience. Also listed are those legacies received in 2022/23 – we honour and celebrate their part in Exeter College's history. Those leaving a gift in their will are invited to join the Amelia Jackson Society, which celebrates their generosity.

LEGACIES RECEIVED IN 2022/2023

Richard Curtis
Henry Fletcher
Heather Gillian Kirby
Roger Rehahn
Peter Sleight
Michael Whitear

When you think about your experience as an Exeter student, what comes to mind?

The beautiful buildings?

Playing rugby or rowing?

Lively debate with your tutorial partner?

By leaving a gift to Exeter College in your will, you can help to preserve that experience, and share it with another bright young person – someone like you.

If you would like to discuss leaving a gift to Exeter in your will, please contact Adale Bennett (Deputy Director of Development) on +44 (0) 1865 287 163 or adale.bennett@exeter.ox.ac.uk
