

EXETER COLLEGE CHAPEL

SERVICES & MUSIC LIST

HILARY TERM 2026

Welcome to Exeter College Chapel.

Daily prayer has been offered in the College Chapel since its foundation by Walter de Stapledon in 1314. The prayers of today join with those of our predecessors, as we continue to pray for the life of the College, University, and World.

Prayer and music form the core of worship in Exeter Chapel and the College's Choir sings three Services each week, as we seek to explore God and find understanding for our lives.

This booklet provides information for services and activities in Exeter Chapel. Please also do look at the term card and the Chapel's pages on the College website: www.exeter.ox.ac.uk/college/chapel

Whatever your reason for visiting Exeter Chapel you are most welcome.

An Introduction to Services in Exeter College Chapel

CHORAL EVENSONG

The principal service in Exeter College Chapel is choral evensong. This service was created by Thomas Cranmer (1489 – 1556), combining the ancient, pre reformation monastic offices of vespers and compline. The service is shaped around the liturgy of the word – that is, readings and psalms from the Bible – and punctuated by the Magnificat and Nunc Dimittis; canticles taken from Luke’s gospel and sung by the choir. This is a service of prayer and reflection. The sung prayers (the preces and responses) are short petitions reflecting different aspects of life, asking for God’s guidance to those in authority, peace, and the guidance of the Holy Spirit.

At Exeter this service is sung by the choir. The congregation actively participates through singing the hymn, praying the Lord’s prayer, and joining in some of the responses. But the majority of the service is sung by the choir, providing a space to be free to think, or feel, or respond to that which you hear. The psalms – the ancient hymns of praise, lament, and prayer of the Jewish people – are sung either to Anglican chant or plainsong, whilst the canticles are sung to settings by composers covering at least six centuries of musical history. Their different forms reflect changing tastes and customs in the development of music, as well as expressing different approaches to expressing a relationship and knowledge of God. The service also includes an anthem; a more elaborate setting of words from scripture, poetry, or prose, which capture a glimpse of the transcendence of God.

On Sundays the service is expanded to include the confession and absolution, as well as a sermon which explores the readings and music in the context of today’s society, challenging and encouraging, and

helping to elucidate how religion still has a role to play in today's society.

MORNING PRAYER

This is a simple act of prayer and praise: it includes two readings, a psalm, and some prayers at the beginning of the day, asking for God's blessing and guidance on that which we have to do each day. This service is without music and lasts for approximately 20 minutes. This service is also known as Mattins.

HOLY EUCHARIST

According to St Paul, on the night before Christ was crucified he had dinner with his friends. He took some bread, broke it, and gave it to his disciples as a symbol by which to remember him. Jesus did the same with the wine, to act not only as a memorial of Christ but also to show the sacrifice he was about to make for the salvation of the world. From this simple act the ritual of the Eucharist emerged.

This Service consists of four sections. The Gathering, whereby we bring ourselves before God; we bring our sins and our fears, our hopes, and our dreams and at the beginning of the service laying them before our loving God. The Liturgy of the Word indicates the Jewish roots of Christian worship. In the early church Christians would listen to the reading of the Hebrew Scriptures and then, following a sermon would break bread as a memorial of Christ. The Liturgy of the Sacrament includes the Eucharistic Prayer. There has been much debate as to what actually happens at the Eucharist, whether the bread becomes the flesh of Christ, or symbolises it, or simply acts as a way of uniting a community. It is important to remember that through Word, Sacrament, and, each other we can begin to feel God's presence with us. The Service concludes with The Dismissal; having been sustained by Christ's Body and Blood, by our prayers, and fellowship, Christians are called to live out their faith in the world.

The Eucharist is the great gift Christ gave to his Church. It therefore is the policy of this Chapel that all who seek to follow Christ are welcome to receive the Bread and Wine. Communion is received standing; please take the bread and eat it, and then drink from the next free chalice. For theological and practical reasons it is preferable not to dip the wafer into the wine. If you feel you can't receive communion, but want a blessing, please feel free to come forward too.

COMPLINE

Compline is the last of the daily offices sung in monasteries. It is a hauntingly beautiful, and sparse service. It is sung in near darkness; the chapel is illumined only by candlelight, and the severe beauty and simplicity of the ancient plainsong is made all the more acute when the choir breaks into harmony in the anthem at the end of the service. It is a perfect end to the day.
