The Statute has been submitted to Her Majesty in Council, and the provisions of the Act relating to publication in the London Gazette and laying before both Houses of Parliament have been complied with.

No Petition or Address has been presented against the Statute.

Now, therefore, Her Majesty, having taken the Statute into consideration, is pleased, by and with the advice of Her Privy Council, to approve it.

SCHEDULE

The Statutes below are adopted as the Statutes of the College in substitution for, and to the exclusion of, the existing Statutes subject to such further changes as the Privy Council, the University of Oxford or the Charity Commission for England and Wales may require and which are agreed by the Rector and the Finance and Estates Bursar of the College. But that pursuant to section 7(2) Universities of Oxford and Cambridge Act 1923, the Statutes
adopted shall not take effect until the same shall have been allowed by Order of Her Majesty the Queen in Council.

I will render due obedience to the injunctions, interpretations, and exposition of doubtful
points in these Statutes given by the Visitor. In the election of Fellows I will without partiality vote for those whom I believe to possess the highest qualifications.

(h) in the event of a gap between one Rector leaving and another assuming the office, the Sub-Rector shall carry out the duties of the Rector for the duration of the gap;

(i) without prejudice to the other provisions of this Statute, the election of the Rector shall be managed in accordance with the Bylaws.

9.1 A College Meeting is a meeting of the Governing Body of the College. Such meetings are either:

(a) General College Meetings;
(b) Special College Meetings; or
(c) Extraordinary College Meetings.

9.2 There must be at least two General College Meetings in each calendar year. At least one calendar week’s notice in writing shall be given by the Rector, or in his, her or their absence by the Sub-Rector, of the date of such meeting and of any business to be transacted, save that at least two calendar weeks’ notice in writing shall be given of the date of any General College Meeting at which is it proposed to make, alter or revoke any Bylaws of the College and of the Bylaws proposed to be made, altered or revoked. In the absence of both the Rector and Sub-Rector, the next senior member of the Governing Body shall convene a General College Meeting.

9.3 The Rector, or in his, her or their absence the Sub-Rector, may at any time convene a Special College Meeting, giving reasonable notice in writing, and he, she or they shall do so whenever requested by three members of the Governing Body. In the absence of both the Rector and Sub-Rector, the next senior member of the Governing Body may (and shall if requested) convene a Special College Meeting. A meeting shall be deemed “Special” within the meaning of these Statutes when notice has been specially given, at the time of calling the same, of the particular business to be transacted at such meeting.

9.4 An Extraordinary College Meeting is one summoned in accordance with Statute 5.3(c) for the purpose of electing a new Rector. At least two calendar weeks’ notice in writing of an Extraordinary General Meeting shall be given to each member of the Governing Body. The quorum for an Extraordinary College Meeting is an absolute majority of the total number of the members of the Governing Body, excluding any candidate for the office of Rector and any other conflicted member of the Governing Body who has not been authorised to participate under the Bylaws. For the purposes of establishing a quorum at an Extraordinary College Meeting, a member of the Governing Body shall be present in person or, in exceptional circumstances agreed by the Electoral Officer, by electronic means.

9.5 The Rector, or in his, her or their absence, the Sub-Rector, and three other members of the Governing Body present in person or by electronic means shall constitute the quorum for a Special College Meeting. In the absence of both the Rector and Sub-Rector, the next senior member of the Governing Body, and three other members of the Governing Body shall constitute the quorum for a Special College Meeting.

9.6 The quorum for any other College Meeting is the number nearest to twenty five per cent. of the total number of the members of the Governing Body, excluding any conflicted member of the Governing Body who has not been authorised to participate under the Bylaws. For the purposes of establishing a quorum, a member of the Governing Body shall be present either in person or by electronic means.

9.7 Except in so far as other specific provision is made under these Statutes, a College Meeting may be held either in person or by suitable electronic means agreed by the Governing Body in which all participants may communicate with
all the other participants simultaneously and notice of every College Meeting shall be sent to each member of the Governing Body by suitable electronic means agreed by the Governing Body.

9.8 Save where these Statutes or the Bylaws require otherwise, every issue may be determined by a simple majority of the votes cast at a College meeting.

9.9 The Governing Body shall have power to establish other provisions relating to the procedural arrangements for all such College Meetings which shall be contained in the Bylaws or, in the absence of such Bylaw, shall be such as the Rector, or in his, her or their absence the Sub-Rector, on every occasion, shall determine.

9.10 The Rector, or in his, her or their absence the Sub-Rector, shall preside at all College Meetings, and shall, in case of an equality of votes, have a second or casting vote. In the absence of both the Rector and Sub-Rector, the next senior member of the Governing Body shall preside at a College Meeting, and shall, in case of an equality of votes, have a second or casting vote.

9.11 The Common Seal of the College shall not be affixed to any document except by the authority of the Governing Body and in the presence of at least three members of the Governing Body, of whom one shall be a College Officer referred to in Statute 7.1. The Governing Body shall make Bylaws for the safe custody of the Common Seal.

9.12 Except in so far as other specific provision is made under these Statutes, every matter concerning the administration, policy, and interests of the College shall be determined by the Governing Body at a College Meeting by order of that meeting or by Bylaw and all College Orders and Bylaws, not being contrary to or inconsistent with these Statutes, which shall have been duly passed at such meeting, shall bind the Rector and all Fellows of the College individually, and likewise all Students, office-holders and employees; provided that no College Order or Bylaw which affects the Rector shall be passed in his, her or their absence until the Sub-Rector shall have consulted him, her or them on the subject.

9.13 A contract which if made between private persons would be by law required to be in writing and if made according to English law to be under Seal, may be made on behalf of the College in writing under the Common Seal of the College.

9.14 A contract which if made between private persons would be by law required to be in writing, signed by the parties to be charged therewith, may be made on behalf of the College in writing signed by any person acting under its authority.

9.15 A contract which if made between private persons would by law be valid although made by parol only, and not reduced into writing, may be made by parol on behalf of the College by any person acting under its authority.
9.16 A contract made according to this Statute may be varied or discharged in the same manner in which it is authorised by this Statute to be made.

10  Financial Powers and Responsibilities

10.1 The College shall have the power to expend the revenues of the College for any purpose within the provisions of these Statutes or in pursuance of its objects, provided that the application of such revenues shall be subject to any Statute or Statutes made for the University under the powers of the Universities of Oxford and Cambridge Act 1923 for enabling or requiring the College to make contributions to University purposes and for the payment of the charges imposed as a result.

10.2 The Governing Body shall from time to time appoint a Bursar who shall, subject to these Statutes and to any resolutions which may be passed by the Governing Body, have the care of the financial well-being of the College.

10.3 The Governing Body may from time to time use for the general educational purposes of the College any surplus income of each of the trusts, endowments, foundations and gifts set out in the Bylaws (each a “Trust”). “Surplus income” means income unexpended in any year after the purposes of a particular Trust have been provided for in that year (whether wholly by income from the Trust or partly by income from the Trust and partly by other means) in so far (if at all) as, in the opinion of the Governing Body, it is possible to provide for the purposes of the Trust in that year.

10.4 Subject to the particular provisions of the trusts establishing scholarships, exhibitions and studentships of the College, the Governing Body may expend from any trust establishing a scholarship, exhibition or studentship any surplus of the income applicable for the maintenance of Students elected to any scholarship, exhibition or studentship of the College, for the purpose of making grants to Students in residence and receiving instruction who either hold or at the time of their admission to the College were eligible to hold the scholarships, exhibitions or studentships established by that particular trust.

10.5 The College shall have the power to invest as its sees fit any capital monies in the hands of the College (not being capital monies arising under the Universities and College Estates Acts 1925 and 1964) and any monies held by the College on behalf of any trust funds (subject to any specific investment restrictions applicable to such trust funds) to the intent that the College shall have the same powers of investing varying and managing investments as an individual who is absolutely and beneficially entitled thereto. The Governing Body shall manage the College investments with due prudence having regard to the totality of the assets in its care.

10.6 Any investment made under the powers contained in Statute 10.5 shall stand either in the name of the College or in the name of a body corporate selected by the Governing Body as the nominee and trustee of the College for that purpose.
10.7 The College may delegate upon such terms and with such reasonable and proper remuneration as it shall think fit to professional investment managers ("the Managers") the exercise of the power of investment contained in Statute 10.5 provided always that:

(a) the Managers (or, in the case of a subsidiary company whose obligations under the relevant terms of appointment will be guaranteed by the parent company, that parent company) have at least 15 years’ experience in the City of London (or other appropriate financial centre) of investment business;

(b) the Managers shall be persons who are entitled to carry on investment business under the provisions of the Financial Services and Markets Act 2000 or any statutory modification or re-enactment of the same;

(c) the Governing Body shall authorise the Managers to exercise such delegated power as aforesaid only within the written terms of their appointment and the written terms of the investment policy guidelines laid down from time to time by the Governing Body, the detailed provisions of which are set out in the Bylaws;

(d) the Managers shall be under a duty to report promptly to the College any exercise of the power delegated as aforesaid and to report all transactions to the Bursar within 14 days and to report on the performance of any investments managed by them at intervals of no more than 3 months;

(e) the Governing Body shall at all times be free to terminate such delegation on reasonable notice; and

(f) the Governing Body shall review such delegation at intervals not (in the absence of special reasons) exceeding 36 months but so that any failure by the Governing Body to undertake such review within the said period of 36 months shall not invalidate the delegation.

10.8 (a) This Statute shall apply to all funds and endowments of the College which are not held on any specific trust; and to any endowment, benefaction or trust for purposes connected with the College (i) which was created by an instrument which came into operation not less than 60 years before 1 January 2003 or (ii) of which the Governing Body are the trustees or governing body and have consented to the provisions of this clause or (iii) which does not fall within the sub-paragraphs above but of which the Governing Body is not the trustee or governing body and such trustees or governing body have consented to the provisions of this Statute.

(b) In this Statute “fair value” means the amount at which an asset could be exchanged in an arm’s length transaction between informed and willing parties, other than in a forced or liquidation sale and “total return” means return in terms of both income, whether received or accrued, and capital appreciation, whether realised or unrealised.
(c) The Governing Body may appropriate for expenditure for the purposes of a fund to which this Statute applies and for purposes within Statute 10.1 so much of the fair value of the particular fund as is prudent in all the circumstances having regard to the total return achieved and reasonably to be expected in the long term of the funds of the College to which this Statute applies.

(d) Any reference in these Statutes to the revenue or revenues of the College shall include the total sums appropriated in accordance with clause (c) of this Statute.

(e) The Governing Body shall from time to time appoint a suitably qualified person to review the total return and the investment criteria referred to in this Statute.

10.9 The Governing Body shall cause such accounting records to be kept as it shall determine from time to time. The College accounts shall be audited at least once in every year and the Governing Body shall appoint for that purpose an Auditor or Auditors. The Auditor or Auditors shall report in writing to the Governing Body whether the accounts of the College are duly kept in conformity with the provisions of this Statute.

10.10 The Governing Body shall in every year cause to be prepared and delivered to the University such information relating to the accounts of the College as may be prescribed from time to time by any Statute or Regulation of the University in force for the time being.

10.11 Other financial powers and responsibilities of the Governing Body shall be set out in the Bylaws made by the Governing Body from time to time.

11 The Visitor

11.1 The Bishop of Exeter for the time being is ex officio Visitor of the College.

11.2 The Visitor in person (or his, her or their Commissary or Commissaries) may visit the College once every ten years, or more often if the Visitor deems it expedient, without any request or application by the College or any members of its Governing Body, and may require an answer in writing of the Rector and Fellows to any enquiry whenever the Visitor deems it expedient for ensuring the due observance of the Charter and Statutes.

11.3 The Visitor shall, at the request of the Governing Body or of the Rector and any three or more members of the Governing Body, determine the true construction of all or any part of these Statutes.

11.4 If the Governing Body shall have committed an act or made a decision which is or may be contrary to these Statutes, the Rector or a member of the Governing Body, as applicable, may appeal against such act or decision to the Visitor, but he, she or they may only do so where there is no alternative process of appeal in or established by these Statutes or the Bylaws. The Visitor shall consider
such appeal, and may remit such act or decision to the Governing Body for reconsideration. If, in the judgment of the Visitor, the outcome of the Governing Body’s reconsideration of such act or decision is contrary to these Statutes, the Visitor may annul or vary the re-considered act or decision of the Governing Body as the Visitor shall deem just.

11.5 In accordance with the provisions of the Higher Education Act 2004 or any successive legislation, nothing in these Statutes shall enable or require the Visitor:

(a) to hear any appeal or determine any dispute relating to a member of the academic staff to whom the Appendix applies which concerns the member’s appointment or employment or the termination of that appointment or employment; or

(b) to disallow or annul any Bylaw or resolution made under or having effect for the purposes of the Appendix.

11.6 The decision of the Visitor given under these Statutes shall be binding upon every person affected by these Statutes.

12 Provisions relative to the University

12.1 If at any time it appears to the Council of the University that any provision of these Statutes is not observed and that as a result of the non-observance the interests of the University are liable to be prejudicially affected, the Council of the University may submit a representation to the Visitor. The Visitor shall then inquire into the matter, and after considering any representation made by the Governing Body, make such order as he, she or they may consider just for enforcing the due observance of the Statutes.

12.2 Before any representation is made to the Visitor under Statute 12.1, the Vice-Chancellor shall communicate the matter of such representation to the Rector for the information of the College, and, when a representation is made, shall send him, her or them a copy of it without delay.

13 Academic Staff

The provisions of the Appendix to these Statutes shall apply, in respect of grievances, discipline, dismissal and removal from office:

13.1 to any person holding a College Office designated by the Governing Body as one to which the Appendix applies;

13.2 to any person employed or appointed by the College to carry out teaching or research save for those holding appointments which have been excluded by the Governing Body from the scope of the Appendix on the ground that the duties in that regard are only of a limited nature; and
13.3 to the Rector, to the extent and in the manner set out in Part VII of the Appendix.

APPENDIX

EMPLOYMENT RIGHTS

Part I. Construction, Application and Interpretation

1. This Appendix and any Bylaw made under this Appendix shall be construed in every case to give effect to the following guiding principles, that is to say:

1.1 to ensure that members of the academic staff of the College have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges;

1.2 to enable the College to provide education, to promote learning, and to engage in research efficiently and economically; and

1.3 to apply the principles of justice and fairness.

2. No provision in Part II, Part III, Part IV or Part VII of this Appendix shall enable any member of the academic staff to be dismissed unless the reason for the dismissal may in the circumstances (including the size and administrative resources of the College) reasonably be treated as a sufficient reason for dismissal.

3. 3.1 This Appendix shall apply:

(a) to any person holding a College Office designated by the Governing Body as one to which this Appendix applies:

(b) to any person employed or appointed by the College to carry out teaching or research save for those holding appointments which have been excluded by the Governing Body from the scope of this Appendix on the ground that the duties in that regard are only of a limited nature; and

(c) to the Rector, both to the extent and in the manner set out in Part VII.

3.2 In this Appendix any reference to a “member of the academic staff” is a Reference to a person to whom this Appendix applies.

4. In this Appendix “dismissal” shall include removal from office and, in relation to employment under a contract, shall have the same meaning as in section 95 of the Employment Rights Act 1996.

5. 5.1 For the purposes of this Appendix “good cause” in relation to the dismissal or removal from office or place of a member of the academic staff, being in any case a reason which is related to conduct or to capability of qualifications for
performing work of the kind which the member of the academic staff concerned was appointed or employed to do, means:

(a) conviction for an offence which may be deemed by an Academic Disciplinary Committee appointed under Part III of this Appendix to be such as to render the person convicted unfit for the performance of the duties of the office or employment as a member of the academic staff; or

(b) conduct of an immoral, scandalous or disgraceful nature incompatible with the duties of the office or employment; or

(c) conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of the office or employment; or

(d) physical or mental incapacity established under Part IV of this Appendix; or

(e) wilful disruption of the activities of the College; or

(f) wilful disobedience of any of the Statutes or Bylaws of the College in force for the time being.

5.2 In this Clause:

(a) “capability”, in relation to such a member, means capability assessed by reference to skill, aptitude, health or any other physical or mental quality;

(b) “qualification”, in relation to such a member, means any degree, diploma or other academic, technical or professional qualification relevant to the office or position held by that member.

6. For the purposes of this Appendix dismissal shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to:

6.1 the fact that the College has ceased, or intends to cease, to carry on the activity for the purposes of which the person concerned was appointed or employed or has ceased, or intends to cease, to carry on that activity in the place in which the person concerned worked; or

6.2 the fact that the requirements of that activity for members of the academic staff to carry out work of a particular kind, or for members of the academic staff to carry out work of a particular kind in that place, have ceased or diminished or are expected to cease or diminish.

7. 7.1 Nothing in any appointment made, or contract entered into, shall be construed as overriding or excluding any provision made by this Appendix concerning the dismissal of a member of the academic staff by reason of redundancy or for good cause: provided that this shall not invalidate any waiver made under section 197 of the Employment Rights Act 1996, any compromise agreement
under section 203 of the Employment Rights Act 1996 or any similar waiver or agreement permitted by law.

7.2 In any case where an officer of the College or any person is designated to perform any duties or exercise any powers under this Appendix, and that officer or person is involved in the matter in question, the Governing Body may appoint an alternate to act in place of the person under procedures prescribed by Bylaws made under this Appendix.

7.3 Nothing in any other Statute shall enable the Governing Body to delegate its power to reach a decision under Clause 10 of this Appendix.

7.4 No one shall sit as a member of any of the bodies established under this Appendix, and no one shall be present at a meeting of such body when the body is considering its decision or discussing a point or procedure, except as provided by this Appendix or by Bylaws made under this Appendix.

Part II. Redundancy

8. This Part enables the Governing Body, as the appropriate body for the purposes of this Part, to dismiss any member of the academic staff by reason of redundancy.

9. 9.1 Nothing in this Part shall prejudice, alter or affect any rights, powers or duties of the College or apply in relation to a person unless:

(a) the appointment is made, or the contract of employment is entered into, on or after 20th November 1987; or

(b) the person is promoted on or after that date.

9.2 For the purposes of this Clause in relation to a person, a reference to an appointment made or a contract entered into on or after 20th November 1987 or to promotion on or after that date shall be construed in accordance with subsections (3) to (6) of section 204 of the Education Reform Act 1988.

10. This Part applies only where the Governing Body has decided that there should be a reduction in the academic staff:

10.1 of the College as a whole; or

10.2 of any area of academic work within the College by way of redundancy.

11. 11.1 Where the Governing Body has reached a decision that there should be a reduction in the academic staff:

(a) it may select the requisite member or members of the academic staff for dismissal by reason of redundancy if such a course satisfies the guiding principles of Part 1, clause 1 of this Appendix; or
(b) it shall appoint a Redundancy Committee to be constituted in accordance with sub-clause 11.3 to give effect to its decision by such date as it may specify and for that purpose:

(i) to select and recommend the requisite members of the academic staff for dismissal by reason of redundancy; and

(ii) to report its recommendations to the Governing Body.

11.2 The Governing Body shall either approve any selection recommendation made under sub-clause 11.1(b)(i), or shall remit it to the Redundancy Committee for further consideration in accordance with its further directions.

11.3 A Redundancy Committee appointed by the Governing Body shall comprise:

(a) a Chairman; and

(b) two Fellows, not being persons employed by the College; and

(c) two members of the academic staff.

11.4 A member of the academic staff shall not be selected for dismissal under this Clause unless he, she or they have been afforded a reasonable opportunity to make representations to the Governing Body.

12.  12.1 Where the Governing Body has either itself made a selection or has approved a selection recommendation made by the Redundancy Committee under sub-clause 11.1, it may authorize an officer of the College as its delegate to dismiss any member of the academic staff so selected.

12.2 Each member of the academic staff selected shall be given separate notice of the selection approved by the Governing Body.

12.3 Each separate notice shall sufficiently identify the circumstances which have satisfied the Governing Body that the intended dismissal is reasonable and in particular shall include:

(a) a summary of the action taken by the Governing Body under this Part;

(b) an account of the selection processes it has used;

(c) a reference to the rights of the person notified to appeal against the notice and to the time within which any such appeal is to be lodged under Part V of this Appendix; and

(d) a statement as to when the intended dismissal is to take effect.
Part III. Discipline, Dismissal and Removal from Office

13 13.1 Minor faults shall be dealt with informally in accordance the Bylaws of the College in force for the time being.

13.2 Where the matter is more serious but falls short of constituting possible good cause for dismissal the following procedure shall be used:

(a) If the conduct or performance of a member of the academic staff does not meet acceptable standards, but does not constitute sufficient cause for dismissal, a formal warning may be given and a note of the oral warning will be kept. The member of the academic staff concerned shall be informed of the reason for the warning; that it constitutes the first stage of the disciplinary procedure; and that a right of appeal exists under this Clause. An oral warning shall be disregarded for disciplinary purposes after twelve months, subject to satisfactory conduct and performance.

(b) If the offence is a serious one, or if a further offence occurs, a written warning may be given by the Sub-Rector, who shall keep a copy of the warning. The member of the academic staff concerned shall be informed of the reason for the warning; the improvement required and the time within which that must be achieved; that a complaint may be made to the Rector seeking the institution of disciplinary proceedings heard by an Academic Disciplinary Committee appointed under Clause 14 of this Appendix if there is no satisfactory improvement; and that a right of appeal exists under this Clause. A written warning shall be disregarded for disciplinary purposes after two years, subject to satisfactory conduct and performance.

(c) A member of the academic staff who wishes to appeal against a disciplinary warning given under this Clause shall inform the Rector within two weeks. The Rector shall hear the appeal and his, her or their decision shall be final.

14. 14.1 If there has been no satisfactory improvement following a written warning given under Clause 13 of this Appendix, or in any case where it is alleged that the conduct or performance of a member of the academic staff may constitute good cause for dismissal or removal from office, a complaint seeking the institution of disciplinary proceedings to be heard by an Academic Disciplinary Committee appointed under Clause 15 of this Appendix may be made to the Rector.

14.2 To enable the Rector to deal fairly with any complaint brought under subclause 1 of this Clause, the Rector shall institute such enquiries (if any) as appear to be necessary.

14.3 If it appears to the Rector (whether on receipt of a complaint or otherwise) that there are grounds for believing that the conduct or performance of a member of the academic staff could constitute good cause for dismissal, the Rector shall write to the person concerned inviting comment in writing and may, at this stage or at any stage prior to the conclusion of any hearing by an Academic
Disciplinary Committee appointed under Clause 15 of this Appendix, suspend the person concerned from the performance of his, her or their duties without loss of emoluments.

14.4 As soon as may be following receipt of the comments (if any), or in any event not later than 28 days after they were invited, the Rector shall consider the matter in the light of all the available material and may dismiss the matter summarily, or issue an oral or written warning to the person concerned, or determine that the matter be considered by an Academic Disciplinary Committee appointed under Clause 15 of this Appendix.

15. If the Rector has determined that the matter is to be considered by an Academic Disciplinary Committee, the Governing Body shall be requested to appoint such a committee to hear the allegations and to determine whether the conduct or performance of the person who is the subject of the allegations constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to the person’s appointment or employment, and, if so, to recommend what action should be taken.

16. 16.1 An Academic Disciplinary Committee approved by the Governing Body shall comprise a Chairman and two Fellows.

16.2 In selecting members of the panel for appointment as members of an Academic Disciplinary Committee, the Governing Body shall exclude the subject of the allegations and any person who has been involved in or associated with the making of the complaint or any part of it, or who has been involved in any preliminary hearing or investigation.

17. 17.1 When an Academic Disciplinary Committee has been appointed, the Governing Body shall instruct a suitable person to specify the allegations and to present, or arrange for the presentation of them before the Academic Disciplinary Committee.

17.2 It shall be the duty of the person formulating the allegations:

(a) to forward the allegations to the Academic Disciplinary Committee and to the member of the academic staff concerned, together with the other documents therein specified and a list of all witnesses the College proposes to call, with statements containing the evidence they are expected to give; and

(b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Committee.

18. The procedure to be followed in respect of the preparation, hearing, and determination of allegations by an Academic Disciplinary Committee shall be prescribed by Bylaws made under this Appendix. Such Bylaws shall ensure:
18.1 that the subject of the allegations is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by an Academic Disciplinary Committee;

18.2 that the allegations shall not be determined without an oral hearing at which the subject of the allegations and any person appointed to represent him, her or them are entitled to be present;

18.3 that witnesses may be called, both on behalf of the person subject of the allegations and by the person presenting the allegations, and may be questioned concerning any relevant evidence;

18.4 that no new witness or documentary evidence may be introduced by the person presenting the allegations without the Committee’s consent, which shall not be given save for good reason, and that if late introduction is allowed, the member of the academic staff shall be allowed an adjournment sufficient to consider and respond to the new evidence; and

18.5 that any allegations are allegations heard and determined as expeditiously as is reasonably practicable.

19. 19.1 The Academic Disciplinary Committee shall send its decision on any allegations referred to it (together with its findings of fact and the reasons for its decision regarding those allegations and its recommendations, if any, as to the appropriate penalty) to the Rector, the person subject of the allegations, the person presenting the allegations and any person who shall have been added as a party by the Academic Disciplinary Committee.

19.2 The Academic Disciplinary Committee shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V of this Appendix accompanies each copy of its decision sent to a party to the proceedings under this Clause.

20. 20.1 Where any allegations are upheld and the Academic Disciplinary Committee finds good cause and recommends dismissal or removal from office, but in no other case, the Rector shall consult the Governing Body and shall decide whether or not to dismiss the person concerned. If the Rector decides to accept the Academic Disciplinary Committee’s recommendation the person may forthwith be dismissed.

20.2 Where any allegations are upheld, other than where the Rector has decided under sub-clause 1 of this Clause to dismiss the person concerned, the action available to the Rector, after consulting the Governing Body (not comprising a greater penalty than that recommended by the Academic Disciplinary Committee), shall be:

(a) to discuss the issues raised with the person concerned; or

(b) to advise the person concerned about future conduct; or
(c) to warn the person concerned; or

(d) to suspend the person concerned for such period as the Rector shall think fair and reasonable, not to exceed three months after the date on which the Governing Body shall have considered the Academic Disciplinary Committee’s decision, provided that no suspension without pay may be ordered unless the terms of the contract of employment of the person concerned contain provisions expressly entitling the Rector to impose such a penalty; or

(e) such further or other action under the contract of employment or terms of appointment of the person concerned as appears fair and reasonable in all the circumstances of the case; or

(f) any combination of any of the above.

21. 21.1 The Rector shall be the appropriate officer to exercise the powers conferred by Clause 20 of this Appendix but may appoint a delegate to exercise those powers.

21.2 Any action taken by the Rector or the delegate shall be confirmed in writing.

Part IV. Removal for Incapacity on Medical Grounds

22. 22.1 This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.

22.2 In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.

22.3 In this Part the Rector shall be the appropriate officer to perform any duties or exercise any powers, but a delegate may be appointed by the Rector to exercise any of these powers or perform any of these duties.

22.4 In this Part references to the member of the academic staff for the purposes of notification, giving consent, agreement, nomination or providing evidence include, in cases where the nature of the alleged disability so requires, a responsible relative or friend or other person with authority to act on behalf of that member in addition to (or instead of) that member.

23. 23.1 Where it appears to the Rector that the removal of a member of the academic staff on medical grounds should be considered the Rector:

(a) shall inform the member accordingly;

(b) may, if the member agrees or if the Rector considers that the College might otherwise suffer significant harm, suspend the member from duty without loss of pay; and
(c) shall notify the member in writing that it is proposed to make an application to the member’s medical practitioner for a medical report and shall seek the member’s consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988.

23.2 A member who elects to apply for early retirement on medical grounds shall be allowed to do so and the College shall meet the reasonable costs of any medical opinion required.

23.3 If the member does not elect to apply for early retirement on medical grounds the Rector may refer the case in confidence, with any medical and other evidence (including any such evidence submitted by the member), to a Board comprising one person nominated by the Governing Body; one person nominated by the member concerned or, in default of the latter nomination, by the Rector; and (to chair the Board) a medically qualified person jointly agreed by the Governing Body and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

23.4 The procedure to be followed in respect of the preparation, hearing, and determination of a case by a Medical Board under this Part shall be prescribed by Bylaws made under this sub-clause. Such Bylaws shall ensure:

(a) that the member concerned is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by the Board;

(b) that a case shall not be determined without an oral hearing at which the person concerned and any person representing the member are entitled to be present;

(c) that witnesses may be called and may be questioned concerning any relevant evidence; and

(d) that the case is heard and determined as expeditiously as is reasonably practicable.

(e) The Board may require the member concerned to undergo medical examination at the College’s expense.

24. 24.1 If the Board determines that the member should be required to retire on medical grounds, the Rector shall consult the Governing Body, and may terminate the employment of the member concerned on those medical grounds.

24.2 Any action taken by the Rector shall be confirmed in writing and notified to the Governing Body.
Part V. Appeals

25. This Part establishes procedures for hearing and determining appeals by members of the academic staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

26. 26.1 This Part applies:

(a) to appeals against any decision of the Governing Body to dismiss in the exercise of its powers under Part II of this Appendix;

(b) to appeals arising in any proceedings, or out of any decision reached, under Part III of this Appendix other than appeals against disciplinary warnings under Clause 13 of this Appendix;

(c) to appeals against any dismissal otherwise than in pursuance of Part II or Part III of this Appendix.

(d) to appeals against any disciplinary decision otherwise than in pursuance of Part III of this Appendix;

(e) to appeals against any decision reached under Part IV of this Appendix; and

(f) to appeals against any decision reached under Part VII of this Appendix and “appeal” and “appellant” shall be construed accordingly.

26.2 No appeal shall however lie against:

(a) a decision of the Governing Body under Clause 10 of this Appendix;

(b) any finding of fact of an Academic Disciplinary Committee under Clause 19.1 or of a Tribunal under Clause 41 of this Appendix save on legal grounds or save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing;

(c) any medical findings by a Board set up under Clause 23.3 of this Appendix save on legal grounds or save where, with the consent of the person or persons appointed, fresh evidence is called on behalf of the appellant at that hearing.

26.3 In this Part references to “the person appointed” are references to the person appointed by the Governing Body under Clause 29 of this Appendix to hear and determine the relevant appeal.

26.4 The parties to an appeal shall be the appellant and the Sub-Rector and any other person added as a party at the direction of the person appointed.
27. A member of the academic staff shall institute an appeal by serving on the Sub-Rector, within the time allowed under Clause 28 of this Appendix, notice in writing setting out the grounds of the appeal.

28. 28.1 A notice of appeal shall be served within 28 days of the date on which the document recording the decision appealed from was sent to the appellant or such longer period, if any, as the person appointed may determine under subclause 3 of this Clause.

28.2 The Sub-Rector shall bring any notice of appeal received (and the date when it was served) to the attention of the Governing Body and shall inform the appellant that this has been done.

28.3 Where the notice of appeal is served on the Governing Body outside the 28 day period the person appointed under Clause 29 of this Appendix shall not permit the appeal to proceed unless he, she or they consider that justice and fairness so require in the circumstances of the case.

29. 29.1 Where an appeal is instituted under this Part the Governing Body shall appoint a person described in sub-clause 2 of this Clause to hear and determine that appeal subject to sub-clause 3 of this Clause.

29.2 The persons described in this sub-clause are persons not employed by the College holding, or having held, judicial office or being barristers or solicitors of at least ten years’ standing.

29.3 The person appointed shall sit alone unless he, she or they consider that justice and fairness will best be served by sitting with two other persons.

29.4 The other persons who may sit with the person appointed, and who shall be appointed by the Governing Body, shall be:

(a) one member of the Governing Body not being a person employed by the College; and

(b) one other person.

30. 30.1 The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in Bylaws made under this Clause.

30.2 Without prejudice to the generality of the foregoing, such Bylaws shall ensure:

(a) that an appellant is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any appeal hearing;

(b) that an appeal shall not be determined without an oral hearing at which the appellant and the appellant’s appointed representative are entitled to be
present and, with the consent of the person or persons hearing the appeal, to call witnesses;

(c) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and

(d) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as is reasonably practicable.

30.3 The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may:

(a) remit an appeal from a decision under Part II of this Appendix (or any issue arising in the course of such an appeal) to the Governing Body for further consideration as the person or persons hearing the appeal may direct; or

(b) remit an appeal arising under Part III of this Appendix for re-hearing or reconsideration by the same or by a differently constituted Academic Disciplinary Committee to be appointed under that Part; or

(c) remit an appeal from a decision under Part IV of this Appendix for further consideration as the person or persons hearing the appeal may direct; or

(d) remit an appeal by the Rector arising under Part VII of this Appendix for re-hearing or reconsideration by the same or by a differently constituted Tribunal to be appointed under that Part; or

(e) in the case of an appeal arising under Part III, substitute any lesser alternative penalty that would have been open to the Rector following the finding by the Academic Disciplinary Committee which heard and determined the original allegation or allegations.

31. The person appointed shall send a reasoned decision, including any decision reached in exercise of the powers listed under Clause 30.3 (a), (b), (c) or (d) of this Appendix, on any appeal and a statement of any findings of fact different from those of the Governing Body under Part II of this Appendix or of the Academic Disciplinary Committee under Part III of this Appendix or of the Board under Part IV of this Appendix or the Tribunal appointed under Part VII of this Appendix, as the case may be, to the Rector and to the parties to the appeal.

Part VI Grievance Procedures

32. The aim of this Part is to settle or redress individual grievances promptly, fairly and, so far as may be, within the relevant area by methods acceptable to all parties.

33. The grievances to which this Part applies are ones by members of the academic staff concerning their appointments or employment where those grievances relate:
33.1 to matters affecting themselves as individuals; or

33.2 to matters affecting their personal dealings or relationships with other staff of the College, not being matters for which express provision is made elsewhere in this Appendix.

34. 34.1 If other remedies within the relevant area have been exhausted the member of the academic staff may raise the matter with the Rector.

34.2 If it appears to the Rector that the matter has been finally determined under Part III, IV or V of this Appendix or that the grievance is trivial or invalid, the Rector may dismiss it summarily, or take no action upon it. If it so appears the Rector shall inform the member and may inform the Governing Body accordingly, if he, she or they see fit to do so.

34.3 If the Rector is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of):

(a) a complaint under Part III of this Appendix; or

(b) a determination under Part IV of this Appendix; or

(c) an appeal under Part V of this Appendix

then action relevant to the grievance shall be deferred until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and the Rector shall notify the member accordingly.

34.4 If the grievance has not been rejected under sub-clause 2 of this Clause of if action has not been deferred under sub-clause 3 of this Clause the Rector shall decide whether it would be appropriate, having regard to the interests of justice and fairness, to seek to dispose of it informally. If the Rector so decides, the member shall be notified and the Rector shall proceed accordingly.

35. If the grievance has not been disposed of informally under Clause 34.4 of this Appendix, the Rector shall refer the matter to a Grievance Committee for consideration.

36. A Grievance Committee shall comprise a Chairman, one member of the Governing Body not being a person employed by the College and one other member of the Governing Body.

37. The procedure in connection with the consideration and determination of grievances shall be determined in Bylaws in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.
38. The Committee shall inform the Governing Body whether the grievance is or is not well-found, and if it is well-found the Committee shall make such proposals to the Governing Body for the redress of the grievance as it sees fit.

*Part VII. Removal of the Rector from Office*

39. Any five members of the Governing Body may make a complaint to the Sub-Rector seeking the removal of the Rector from office for good cause.

40. The Sub-Rector shall refer such a complaint to the Governing Body, exclusive of the Rector and the members making the complaint. If it appears to the Governing Body that the complaint does not raise a *prima facie* case or that it is trivial or invalid or unjustified or is not supported by sufficient evidence of good cause for the removal of the Rector from office, it may determine that no further action shall be taken upon it.

41. If it appears to the Governing Body on the available material that the complaint raises a *prima facie* case and that this could, if proved, constitute is supported by sufficient evidence of good cause for the removal of the Rector from office, it shall appoint a Tribunal to hear and determine the matter.

42. The Tribunal appointed by the Governing Body shall comprise:

   42.1 an independent person to chair the proceedings; and

   42.2 one member chosen from amongst members of the Governing Body to whom this Appendix applies.

43. Allegations referred to the Tribunal shall be dealt with in accordance with the procedure prescribed in Clauses 17 to 19 of this Appendix, provided:

   43.1 that the Sub-Rector shall perform any duty and exercise any power there assigned to the Rector; and

   43.2 that the only recommendation the Tribunal may make is whether or not the Rector should be removed from office.

44. Where an allegation or allegations have been upheld and the Tribunal finds good cause and recommends dismissal, but in no other case, the Sub-Rector shall consult the Governing Body and may then dismiss the Rector.

45. Where a complaint is to be referred to a Tribunal under Clause 41, the Sub-Rector may if he, she or they consider that the College might otherwise suffer significant harm suspend the Rector from duty in all matters relating to the governance and discipline of the College without loss of salary.

46. For the purpose of the removal of the Rector from office for incapacity on medical grounds, the provisions of Part IV of this Appendix shall have effect, provided that the Sub-Rector shall perform any duty or exercise any power there assigned to the Rector.
47. For the purpose of appeals by the Rector against removal from office, the provisions of Part V of this Appendix shall have effect, provided that the Sub-Rector shall perform any duty or exercise any power there assigned to the Rector.
