Trustee Expenses Policy and Procedure

The principles covering the payment of expenses to a trustee are set out by the Charity Commission at <https://www.gov.uk/government/publications/trustee-expenses-and-payments-cc11/trustee-expenses-and-payments>

In the particular circumstances of an Oxford College, Exeter College does not consider that there will normally be circumstances in which a trustee will incur costs to carry out their trustee duties. The College therefore has a policy that it does not normally pay expenses for carrying out trustee duties.

This policy is separate from the arrangements to pay trustees for the supply of services to Exeter College.

By College Order 23/077, this policy was approved by Governing Body on 14th June 2023 with immediate effect, and is to be reviewed by 30th June 2026, and was also approved for display on the website.
