

RULES FOR THE ALLOCATION OF ARTS AND SPORTS GRANTS (2018-2019) BY THE CASES COMMITTEE

Please read the information below before submitting your application.

1. Grants are only available to currently enrolled members of Exeter College.
2. If the annual budget is spent before the year-end, all further applications will be turned down.
3. No individual student will be entitled to receive grants totalling more than £125 in an academic year, from whatever category. (NB: this does not mean £125 Art and £125 Sports).

The following further criteria also apply:

- Consideration for a sports grant will only be given to applications from a recognised University team or club in existence at the start of the academic year; that is, one of 60+ listed on the website www.sport.ox.ac.uk; solo interests such as solitary fell walking will not qualify.
- Consideration for an arts grant will be given to applicants participating in a recognised College, University or inter-University cultural or intellectual activity, but excluding academic conferences.
- The maximum grant payable per person per academic year for club subscriptions will be 75% of the fee, to a maximum of £50 (some clubs have very high subscriptions).
- The maximum grant payable for a Blue Blazer will be £87.50 which will count against the individual's entitlement to apply for equipment, subscriptions or travel costs up to the aggregate of £125.
- The maximum grant payable per person per academic year for personal equipment will be £37.50.
- The maximum grant payable per person per academic year for travel costs or competition fees will be £37.50 in total.
- Up to £75 per person per academic year will be granted to participate in a College musical or drama tour; participants may submit a block application.
- Up to £75 per person per academic year will be granted to participate in a recognised inter-university event.
